Resistance to school tax hike proves futile for Bethel selectmen

By MICHAEL DANIELS

In a move apparently unprecedented in the history of SAD44, Bethel selectmen voted Monday evening not to "execute" (co-sign) the warrant for the June 13 school district budget referendum.

This flicker of revolt (by the following evening the selectmen had capitulated) was prompted by frustration with ever-increasing school taxes.

Selectman Reggie Brown put the affair in the tradition of American resistance to unfair taxation — describing the selectmen's action as "our own little Tea Party."

For years town officials (not just in Bethel) have complained of having to cut town budgets in order to accommodate ever-increasing school taxes.

This year their frustration

was aggravated by the fact that those taxes continued to rise despite the district's receiving an additional \$400,000 in state funds — money that was intended to go to property-tax relief.

'Our own little Tea Party.'

Monday's vote came in a joint meeting with the town Budget Committee, which was there on other matters, but happy to cheer the selectmen on.

'A formality'

Signing the school budget warrant is a formality, but a necessary one, Town Manager Scott Cole told the selectmen.

"You have no option but to sign it," Cole said. "You're compelled by statute."

But the board balked. "I understand that," Dennis Doyon said, "but by not signing it, we'd be saying: 'It's

Everett, Dumont try again for board seat

By MICHAEL DANIELS

When they go to the polls Tuesday, Bethel voters will not only pass judgment on the SAD44 budget for the coming year, they will also select a new town selectman.

After three terms on the board, Reggie Brown is stepping down, and two candidates are hoping to fill his seat.

Neither is a new name on the Bethel ballot. Francis Dumont and Bob Everett have both run several times for selectman.

Since 1994 Dumont, a contractor, has run four times, always unsuccessfully.

Since 1999 Everett, who owns an automotive business, has run five times.

Everett ran successfully once, in 2000, but he was defeat-

ed in a bid for reelection when his three-year term expired.

Both men serve the town in other capacities: Dumont on the Planning Board, and Everett as an assessor and SAD44 school director.

There are no contests for the other open town offices.

Incumbent School Directors Everett and Becky Cummings are seeking reelection to three-year terms, and newcomer Lynn Arizzi is seeking a one-year term.

Everett is also unopposed in seeking another three-year term as assessor.

MOTHER NATURE

WASN'T BITING,

when it came to cooperating with the organizers of Saturday's Family Fishing Festival in Bethel, which was sponsored by the Bethel Area Chamber of Commerce. Unrelenting rain held participation to about 50 people. Neither were the fish in a toothy mood. Of 100 brook trout released into the Big Adventure Center's pond, only one was caught, by Kyle Walker, 9, of Newry. Despite the disappointing weather, festival organizers Rocky Freda and Wende Gray said they and their partners at Trout Unlimited, The Maine Department of Inland Fisheries and Wildlife, Hooked on Fishing Not on Drugs, The Maine Conservation School and mainefishingtoday.com will be back next year — and praying for sunshine. Here Justin Freda, 8, of Leeds, the grandson of Rocky and Lisa Freda of Bethel, patiently tries his luck.

Congratulations and farewells at Gould

By ALISON LONDERGAN

Gould Academy presented diplomas to the class of 2006 at its 170th commencement exercises on Saturday.

The rain did not dampen the spirits of the 63 graduating seniors and their friends and family, who gathered under a large tent on Alumni Field to celebrate the event.

The Rev. Virginia S. Rickeman of the West Parish Congregational Church gave the invocation, and Deborah F. Hammond '61, president of the Gould Academy Board of Trustees, introduced the keynote speakers, longtime retiring faculty members Mac Davis and Dr. "Dutch" Dresser.

Mac Davis' inspiration for life and learning remains undiminished for those he has touched over the past 35 years. As an English teacher, a long-time leader on Gould's Junior Four Point winter camping expedition, an advisor, and Dean of Faculty for 10 years, Mac has filled countless roles in the overall development of his students.

His speech, which outlined several of his own life experiences and realizations, was both humorous and heartfelt, and signified the honesty with which he has interacted and related to his students for the past three and a half decades. Following are a few excerpts:

"Find what it is in life that you will look forward to doing every day and make that your career. Do not settle for money, prestige, or status when joy will only come if you love what you do. When we love the work we do, there is a seamlessness between work and play that makes life a joy to live."

"Don't take yourself too seriously ... Just remember that the absurdities of our lives deserve only the laughter that comes from a healthy self-perspective."

"Accept who you are even as you try to be the kind of person you want to be. There is a difference in striving to be the best at what

Earlier byway effort here faltered

By ALISON ALOISIO

The current effort to have Route 113 formally designated as a "scenic byway" is similar in some respects to an earlier, and unsuccessful, effort focused on the northernmost section of Route 26 in Maine.

A Lovell woman, Toni Seger, is leading the current campaign, which seeks to have 60 miles of Route 113 between Gilead and Standish, as well as Route 2 between Gilead and Bethel, designated as a state scenic byway — an initial step

in achieving a possible national-level designation.

Supporters say such designations help to preserve resources and promote local economies along the byway.

In the late 1990s, a local committee was formed for the purpose of applying to extend an existing state scenic byway designation for Route 26.

At that time 14 miles of the road, starting at Newry Corner, was already designated a

RUNNING FOR SHERIFF

To the Editor:

My name is Alan J. Carr and I am running for the office of Sheriff in Oxford County. I have been involved in law enforcement for the past 34 years. I retired from the Maine State Police after 25 years of service and I then spent one year with the Mechanic Falls Police Department as a patrol supervisor.

In 2004, I applied for the position of chief of the Bethel Police Department and was subsequently hired. I have been with the town of Bethel as chief for the past two years and I have an open door policy, not only for my colleagues, but also for the general public. I consider myself to be approachable and will be open to any constructive criticism that will help me and the department grow. I will administer my office and enforce all laws in a firm, fair and consistent manner.

I have also been the chief of the Stoneham Volunteer Rescue Service for the past 10 years. I have been in leadership positions for the past thirteen years. My educational background includes a master's degree in law enforcement administration. I know that with my experience in the law enforcement field and working with budgets and town government, I can be an effective Sheriff for the citizens of Oxford County.

It would be an honor for me to serve as your Sheriff. I would appreciate your support when you vote on June 13.

RUNNING FOR SCHOOL BOARD

To the Editor:

My name is Lynn Arizzi. I'm running for a one-year term as a School Board member representing Bethel.

I was involved in public school education for 28 years until my retirement in 1990. I taught music at all grade levels in Florida and Virginia schools. In 1979 I joined a curriculum development team at the administrative level in Fairfax County, Va. I had the privilege of writing music curriculum for teachers. I also worked directly with teachers through workshops and in the classroom to make music more exciting for their students.

I then became music coordinator for Fairfax County Public Schools and was responsible for over 350 music teachers including general music teachers, string and band teachers and choral directors. This experience gave me the opportunity to work side by side with principals and teachers to support and improve music programs throughout the county.

As music coordinator I often prepared and presented status reports and budgets for the school board. I would find it both interesting and challenging to serve as a school board member in SAD44. I would bring not only my educational experience to this position but an ability to listen to all sides of an issue and make decisions based on student, teacher and community needs.

Since coming to Bethel I've worked as a volunteer with Maine Handicapped Skiing, the Mahoosuc Land Trust, and the Bethel Historical Society. Beginning in January I directed the Senior Players for the Senior College. I am also an active member of the Rotary Club and the Mahoosuc Community Band. People who know me through these organizations often comment on my ability to pay attention to detail, to be understanding of individual needs, and to complete tasks with competence in a timely manner.

It would be an honor for me to serve the community. I would appreciate your support as you vote on June 13.

TAKE A STAND FOR MAINE'S HEALTH

To the Editor:

Mainers shouldn't have to endure another 2½ years of acid-rain clouds floating in from the coal-fired plants in the Midwest. These clouds are primarily responsible for giving us the highest asthma rate in the country and for creating deadly conditions for some of our green ash and sugar maple trees.

We need to reinstate the pollution regulations immediately, if not strengthen them.

Contact our senators and representatives to ask them to take a stand for Maine's health. FMI: www.cleartheair.org/regional/me/ or write: Clear the Air, 1200 18th Street NW, 5th Floor, Washington, DC 20036.

TIME TO VOTE

To the Editor:

On June 13 we have an opportunity to vote in our state primary. It's not possible in many nations of this world to have the privilege of making a choice as to whom you want as your representative.

I know this isn't as exciting as the presidential election nor is there the acute concern regarding verifiable vote counting; however, this is the first step in the election process on the state level gearing up for the fall election.

So let's all do it. Let's have a record turnout. It only takes a few minutes and the outcome could be very important to you and those you love. Let's be an example to the rest of the state and let's set an example for our children.

ALAN CARR

To the Editor:

On June 13, 2006 Oxford County will select a Republican nominee for the office of Oxford County sheriff. This individual who is elected to that office will have the task of organizing and managing personnel who respond to emergencies in Oxford County. Mr. Carr is a 34-year veteran of the law enforcement community and recently retired from the Maine State Police. After retirement Mr. Carr became the chief of the Bethel Police Department where he manages an extensive budget as well as the day-to-day activities of a professional staff.

I have had the pleasure of knowing Alan Carr and working with him for the past 10 years. During this time his knowledge and ability to lead have been influential to my success as a police officer. Mr. Carr is a leader who believes in a hands on approach type of management. Not only will he handle the day to day responsibilities in the office, he will also join his team of professionals in the field where he will assist them. He will be involved with the communities, which he serves to allow for a good line of communication.

Mr. Carr is a highly respected police officer in the law enforcement community. The qualities, which have gained this respect, include honesty, integrity, professionalism, knowledge and hard work.

On June 13, 2006 please join me in voting for Alan Carr as the Republican nominee for sheriff.

CHRISTOPHER WAINWRIGHT

To the Editor:

As your sheriff for the last 15 and a half years and a law enforcement officer for the last 30 years, I feel compelled to address the citizens of Oxford County concerning the upcoming June 13 primary election for Sheriff representing the Republican Party.

My focus since the beginning of my tenure as Sheriff has been to work hard for all of the citizens of Oxford County, not just a specific group. As the State Constitution says "the Sheriff of any given County is the Chief Law Enforcement Officer of that County."

This position comes with a very large responsibility to provide quality service by the patrol deputies, the jail, court security and civil process. It is important to always remember that the citizens of Oxford County pay for these services and they deserve the best service possible.

The needs of the citizens of Oxford County have always been a priority for me.

The time has come for me to step down from this honorable position as the sheriff of Oxford County and look for the best individual to replace me.

Without any reservation, I support Christopher Wainwright 110 percent. He is an individual who has worked for me since I took office in 1991. It became apparent to me from the beginning that Lt. Wainwright had many goals, and one was to someday become Sheriff of Oxford County. His dedication and professionalism will serve the citizens of Oxford County well.

His leadership skills are apparent as he climbed the ranks from patrol deputy to lieutenant in charge of the Oxford County Sheriff's Office Patrol Division. His respect for his fellow Oxford County citizens exemplifies his qualifications for this position.

Not only does he hold great respect from me, your sheriff, but fellow deputies and employees from the Sheriff's Office as well.

On June 13, 2006 we will have an opportunity to go to the polls to vote in the primaries and I urge everyone to go out and do so. This date is extremely important to the citizens of Oxford County, as this is the opportunity to vote for the only law enforcement official, the Office of Sheriff.

It has been an honor and privilege to serve you the citizens of Oxford County as your Sheriff.

Lloyd C. Herrick
Sheriff, Oxford County

ALAN CARR

To the Editor:

As we near the June 13 primary elections, we would like you to join us in nominating Alan Carr as the Republican candidate for Oxford County Sheriff.

We know Alan. He has many good things to offer the citizens of Oxford County, and the employees of the Oxford County Sheriff's Dept.

Alan has experience, excellent work ethics, pride, and integrity. He is a firm believer of an open door policy, and to be a working sheriff for us, the people.

Go vote on Tuesday, June 13 and elect Alan Carr for Sheriff of Oxford County.

PETER MILLS

To the Editor:

I am writing in support of State Senator Peter Mills for Governor. The primary vote will be held on June 13. I had the honor of serving with Peter for 8 years in the state senate and was his seat mate for the last 2. Needless to say I am very familiar with his work ethic and vast knowledge of state government. Peter is a moderate with the ability to attract independent voters in the general election in November. How do I know this? He has done it the five times he has been elected to the state senate.

Peter has a plan to address Maine's extraordinary debt burden and I suggest you take a look at his website at millsforgovernor.com. The plan is a twelve step plan and is well thought out.

His opponents are good people, but in my judgement Peter has the edge in experience. He has served on a wide range of legislative committees.

We need a Republican governor who has a plan, and I will be voting for Peter Mills on June 13.

HARRY FAULKNER

To the Editor:

I am writing in strong support of Harry Faulkner's bid to be the Republican candidate to represent the people of District 91 in the Maine House of Representatives. Harry is a people person who will best represent all the people of District 91 in Augusta. He will be a full-time representative, and if you need help, Harry will be there 24/7 for you.

He knows the issues facing state government and will make the hard decisions regarding prioritizing state spending, paying down the billions of state debt, and improving the business climate for new jobs and affordable healthcare.

If you are a Republican or an unenrolled voter, please vote for Harry Faulkner on June 13. As an unenrolled voter you can enroll in the Republican Party on or before the primary on June 13. Just go to the Town Office or the polling place on Tuesday, June 13.

Thanks for reading this, you will not be disappointed.

Byway

Continued from page 1

State Scenic Byway. The committee's goal was to extend that designation through Upton to the New Hampshire border.

Mike Broderick of Bethel chaired the committee.

He said recently the group's efforts failed because Upton did not have the comprehensive plan necessary for communities along a byway, and the committee could not afford the historical/archeological surveys mandated by the Maine Historic Preservation Commission.

The surveys were estimated at that time to cost about \$25,000, "none of which could come from scenic byway grants," he said.

If the state designation extension had been approved, "it would have created an opportunity for interstate collaboration on planning and projects, a plus in grant application assessment."

Little gain seen in national designation

As for possible national designation for Route 26, Broderick said some community and committee members were concerned about possible federal influence "over issues such as view lines and limitations on the historical commercial uses of the forest."

He said that aside from the possibility of receiving \$25,000 a year in the first four years of planning (subject to the state's priorities) and some additional resources from the byways program, "there does not seem to be a compelling need to initially receive national designation."

Broderick said he learned from a national byways official that the state and national byways all compete for the same pool of money.

"Very likely, the marketing impact of national designation helps drive up the number of users, which in turn raises the scores of the project applications due to the increased public benefit," he said. "But I think national designation is more a lever than a club."

Tea Party

Continued from page 1

of control. ... It's a ridiculous amount we're spending now."

Don Bennett agreed. Referring to the warrant, he said: "I guess I'd call this a letter of support, and I don't want to sign it."

Brown argued that when the selectmen sign such warrants, even if their signatures are only formalities, voters perceive that as an endorsement of the contents of the warrant.

"Maybe if we don't sign it," he said, "there might be more voters who will vote against it."

Budget Committee member Jane Ryerson (a former school director) encouraged the selectmen not to sign.

She termed the proposed budget (just under \$10 million) "ludicrous."

"You have my support not to sign it," Ryerson said. "The [district] administration is out of control."

Jack Cross was on board. "Let's give it a shot," he said.

At one point in the discussion, Cole suggested a compromise: the selectmen sign the warrant but also draft a letter stating their concern about the increases.

"No," Doyon emphatically replied.

"At some point you've got to make a stand," he said, "and I'm sorry, but the taxes are getting out of control. ... LD1 was supposed to be property tax relief and I don't see a bit of property tax relief in this,

so I'm not going to sign something that raises taxes."

His fellow board members agreed, and voted unanimously not to execute the warrant.

Retreat

SAD44 Superintendent David Murphy said Tuesday that neither he nor long-time Business Manager Bruce Powell could recall any other case in which town selectmen had refused to co-sign a school-budget warrant.

And in this case, the selectmen's action was not destined to stand — by the following morning the lawyers had been consulted, the possibility of a court order had been mentioned, and a special selectmen's meeting hastily scheduled for that evening.

The four board members present (Cross was absent) voted, reluctantly but unanimously, to execute the warrant.

But while the board deferred to judicial reality and stopped short of civil disobedience, Doyon felt they may have sent a much-needed message.

"If nothing else people may finally show up at the polls and vote with their hearts," he said.

"It isn't anything against the school system; it isn't anything against education, but you've got state and federal mandates that aren't being funded except through property tax, and people are getting to the point where they can no longer afford it."

Voting

Continued from page 1

their party's candidates for November's general election.

In most cases, including all the Democratic primaries, local candidates are running unopposed for their party nominations.

On the Republican side, however, there are three contests.

In the District 91 race for the Maine House of Representatives, Nancy Bessey of Dallas Plantation, and Harry Faulkner and Mark Egeberg, both of Bethel, are all seeking their GOP nod.

There is also a two-way race for Oxford County Sheriff, with Alan Carr of Albany and Christopher Wainwright of Canton both vying for the Republican nomination.

Jeff Fagan of Paris and Caldie Jackson of Oxford are both seeking the Republican nomination for Oxford County commissioner in District Three.

Bethel Town Meeting

Following Tuesday's balloting, Bethel voters will reassemble again at 7 p.m. Wednesday, in the Crescent Park School, for their annual Town Meeting.

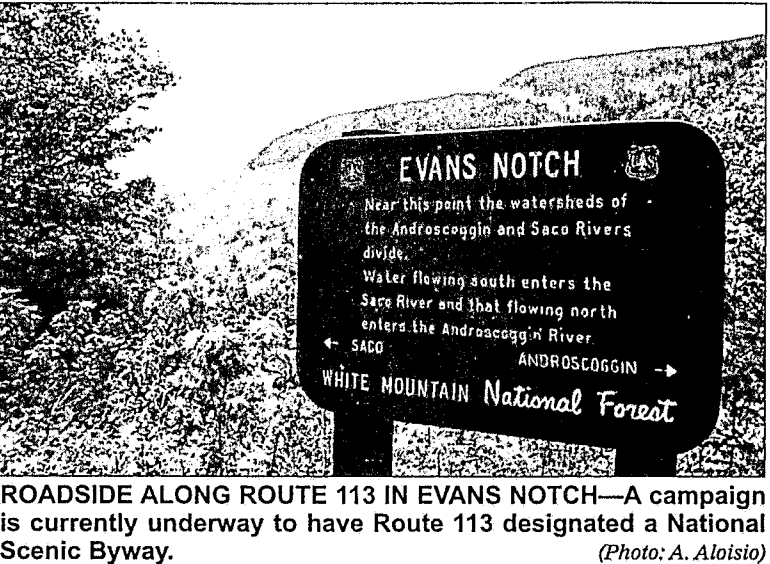

In addition to dealing with a proposed budget of \$2,844,091 town voters will consider a number of proposed ordinance amendments.

The general nature of the individual changes (most are minor) is indicated in the Town Meeting warrant.

The exact wording of the revisions (with deletions and additions indicated) can be found in copies of the town code that are currently available in the Town Office and will also be available at Town Meeting.

Mayville news

Contributions to the River-side Cemetery fund drive now total \$526.73 according to Roger Conant. The Association has a fund drive goal of \$37,500 which will be the local share necessary for the town and cemetery association to qual-ify for a government disaster relief grant. The Association gratefully thanks those who have contributed.

The Association also is grateful to the fine work of Doug and Bertha Grover who spent many early hours on the days before and during Memorial Day weekend putting a respectful, tidy polish to the cemetery's grounds.

Richard and Jenni Fredricks of the Briar Lea and Jolly Drayman have just returned from a trip to the U.K. where they visited family and friends. On the second part of their spring trip they spent a few days in Budapest where they claim they went to scout out life styles, décor and beers served in Hungarian pubs as well as pick up some new ideas for their pub in Mayville. The Fredricks have jumped into the Mayville business scene

with both feet, hosting neighborhood business meetings and Jenni very helpfully took on the job of secretary and group reporter. They are quite anxious to be part of a Mayville "business zone," cooper-ating with their neighbors to establish a clear, local iden-tity that would display a dis-tinctly Mayville image within the Bethel area.

Mayville Junction Condo-miniums development was in-troduced to the Bethel Plan-ning Board on May 24 by Dar-ryl Brown of Maine-Land De-velopment Consultants. This enterprise will consist of four retail store and four residence condominiums contained within two buildings in the southern half of a 10-acre lot recently sold by Gloria Wilson. Domenic Pugliares of North Andover owns the new devel-opment that will see the con-version of the former Carter Equipment Company garage into one of the condo struc-tures. Since the sale's closing, a crew has been at work in the old garage building. This building will be remodeled so that it will have two stories and a new roof with dormer windows front and rear.

The prospect of four new stores opens Pandora's Box for local guessing and wishing about what the stores should stock and sell. As Stephen King wrote, "needful things" are wanted. Some early sug-gestions have mentioned clock repairing, shoe sales and re-pair, men's everyday clothing and antiques. After the Briar Lea folks had returned from their trip and heard the news, Jenni remarked that it would be nice to not have to drive to Wal-Mart for everything.

Mayville motel parking lots showed evidence of a Gould graduation weekend with a few more cars than usual. Gould Academy's commence-ment festivities have marked the starting point of Bethel's summer season for many de-cades.

Early spring efforts to stretch the Davis Park Trail into Mayville's backyard seem to have suffered a set-back. As a result, the 3.3 acres of town owned property involved in the plan, which the tax re-cords show as valued at \$7,055, is still idle - not used and not

taxed.

Our local trails champion, Jeff Parsons, has high hopes of rallying the neighborhood to work out a compromise of benefit to all.

It seems as though there are three preferences afloat when it comes to creating future connecting and recreational routes - soft nature trails, side-walks and snowmobile routes. Maybe a deal can be worked out to move the unused side-walks and street lamps along Lincoln Street over to May-ville.

Fishermen know that fish will bite in the rain but begin-ners I think prefer a sunny day for their first experience. Overall Mayville received nearly two inches of rain on Saturday which was the day of the Fishing Festival at BIG Adventure.

Under the tents weekend so-cializing was in full swing and fishing lore was definitely in the air. Perhaps more inter-esting to some was the prepa-ration for the fishing weekend which occurred on the pre-vious Saturday.

On that day, volunteers from Gilead's fire department were filling the waterways at BIG Adventure with authen-tic Androscoggin River water. So even if this last Saturday's fish festival fish had been im-port, the water was 100 per-cent native. Inside the adven-ture center a bus load of vis-iting teenagers seemed to be having a rain free, pepped up adventure tour to the wilds of Bethel.

Please send me your sugges-tions for Mayville's new retail stores or even better write let-ters to the editor of the Citi-zen. To contact me - email to Donald@thebetheljournals. info or telephone, 824-2094.

ers are unsuitable for planting or have been washed out.

The black flies and mosqui-toes are hiding, waiting for the sun to come out, if it ever does.

Our car finally made it up from Florida Sunday night. They picked it up last week after dark, disturbing the whole condo population. The rig was 88 feet long and had as many lights as a Times Square Christmas tree. We picked it up Sunday night at the Telstar parking lot.

It's soooooo good to have wheels again.

The Upton School Board met recently to discuss FY 06/07. Warrants were signed. Two less students are projected for next year. Laurie and Justin Douglas have moved from Upton to Hartford where they have purchased a new home. We wish them happiness in their new home.

Graduations this year are many. Grandparents in Upton have been busy keeping up with them. Evelyn and Jim Kenney's granddaughter, Jessica Thomas graduates on June 9 from Dirigo. Michael Leighton received his diplo-ma through NOVA Sunday af-ternoon. Mary and Larry Da-

vis, Lucille and Earl Largesse co-grandparents of Mark Lar-gesse who graduated from Colebrook High School.

Chea Davis, another grand-child of the Davis' attained third in her class from Telstar and will attend Tufts Universi-ty in Boston. Jessica Casey re-ceived three awards at the fifth grade graduation. She will at-tend Conservation Camp for one week this summer.

The rain did not deter Diane Williamson from mowing her mother's lawn.

Buster always mowed after the rain and he had a great lawn. Diane will retire from her position at the State House on June 7. She has plans to travel with her grandson Cam-eron in her RV soon.

The Davises were visited by a bear or bears last week. The bird feeders were raided, leav-ing a mess.

Patrick Thomas, son of Eve-lyn Kenney, is visiting for the week with Jim and Evelyn. He will attend his daughter Jes-sica Thomas' graduation from Dirigo High School in Dixfield this Friday.

While in Florida, eight man-atees beached themselves at the edge of the water at New Smyrna Beach. Adults and

children were eager to come to the rescue, pouring water over the huge animals. The children patted them and ex-pressed their affection. The Beach Patrol showed up, chas-ing the well-meaning people away. He informed them that it is a federal offense to touch a manatee. They are very well protected. He also informed them that the animals were just doing their annual mat-ing which has been going on each spring for eons. Where do they think baby manatees come from anyway.

There have been lots of bird sightings in the area. Jennifer Casey, our wildlife biologist saw a flock of over 100 short billed dowitchers up the lake.

Mama Robin is busy supply-ing worms to her nestlings.

There are several bald eagles nesting now at the lake and at least one pair has young ones. The loons are having a tough time with nesting due to high water and constant rain. We hear their cries each eve-ning. Mom and Pop Goose are proudly showing their three babies. The little ones aren't much bigger then a tennis ball. Chipmunks are scarce. There is a new "hunter cat" in the neighborhood.

Timothy's parents, Jim and Henrietta List, live in Hanover.

Get well wishes go to John Gauthier. While attending a wedding in the State of Washington he was taken ill and required surgery. John is a resident of Newry and is the Code Enforcement Officer for Greenwood, Hanover and Woodstock.

Primary elections will take place on Tuesday, June 13.

In Hanover the voting will take place at the Hanover Town Office starting at 10 a.m. and closing at 8 p.m. On the Democratic ballot there is one contested race for the position of governor. The Green Party ballot has no contested positions.

The Republican ballot has contested elections for governor and Representative to the Legislature.

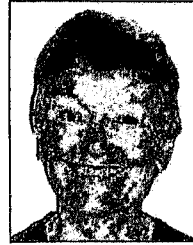

David Worcester and Stanley Brown traveled to Farmington last Thursday for Stanley's eye appointment. Saturday, Dave was on the road again traveling to Hermon for an amateur radio operators' meet sometimes called a ham-

fest.

Jim Ray and his grandson, Chris Ray, arrived at the Triple J at Howard Pond after driving from Austin, Texas. They made stops along the way in Baltimore and New York.

I would like to report a crime — or at least a moral and ethical

misdemeanor. One of my several odd quirks (this is not the crime) is that, in addition to picking up beer cans and bottles on the road, I count the lady slippers in bloom. Each morning in late spring when Jake and I are out walking on the forest road, I count the ladyslipper blooms on both sides of the road and run an informal contest between the east and west sides of the road. (So far the west side is ahead, 97-74.)

Now, the "crime." Sometime between Sunday morning and Monday morning, the culprit dug up a clump of blooming slipper orchids from the east side of the road. Where once there was a clump of six blooms, there are now only three, and very obvious signs of digging. Popular wisdom and courtesy dictate that one shouldn't dig up wildflowers (take only pictures, leave only footprints), especially those that are very fussy about reproduction, like the orchid

family.

Whoever you are, I hope you take very special care of your contraband, because the chances of their thriving are slim unless you can duplicate exactly the environment from which they came.

Yes, I am angry. There they were, for all passers-by to see and enjoy, and someone took them for selfish reasons. A less thoughtless (but still thoughtless) person would at least have done his/her digging off the beaten path. Whoever it was, I hope he/she has some strong guilt feelings and doesn't have any young children to see his/her bad example.

On a happier note, Kathryn Lovejoy called with an upbeat story about a turtle rescue. She and her husband were driving up the Flat Road the other day, and when they were near to Jan Whitworth's house, they saw a turtle smack in the middle of the road.

They pulled over and were horrified to see a big pulp truck coming from one direction and a jeep from the other, and they were sure that the turtle was toast. Both drivers, however, stopped and jumped out of their respective vehicles and moved the imperiled reptile. Happy ending to story!

Kathryn also reported that she heard her first whippoorwill of the year. She thought the sound was coming from somewhere south of her house. I've been listening and have not yet been lucky enough to hear them.

I met Ina Grover in the Foodliner one day last week, and we had a pleasant chat about the birds and flowers, cabbages and kings. She was delighted to have seen an indigo bunting in her yard. I am jealous, for we haven't had one of those in four or five years. We also haven't had an oriole come to

our orange halves, and others have told me they've had several.

Last Saturday morning was the Bethel Library's annual perennial plant sale, rain or shine. And did it rain! Those of us who were setting up and taking down for the sale got totally soaked and chilled. But the library made out all right, and many area gardens will be prettier for the additions they're getting.

On Saturday afternoon there was a memorial service for Judy Haskell at the Bethel Historical Society, where she had been a faithful and devoted volunteer since its inception. There were many loving stories told about her, and some funny ones as well. Judy died rather suddenly last winter and is sorely missed by friends, family, and associates.

We're hoping for some sunshine to replace the clouds, rain, and gloom. This is not looking like a very promising late spring and summer so far. Haven't even been able to get out and pull weeds. And when the sun does come out, I'll probably be busy doing something inside or going to some appointment. Pokey!

This past weekend was just miserable with the constant rain.

It made a few people who planned events change their plans or cancel them completely. Some just got out their rain gear and went ahead as scheduled.

My brother, Steve McLain, stopped by on Saturday with

his little black dog, Laney. One of her favorite things to do on a rainy day is to see just how wet she can get. She really outdid herself this time.

I saw the latest picture of my brother's newest grandson, Quinn McLain. I think he looks so much like his dad, Capt. Stephen McLain, did when he was little.

Bob and Gladys Taylor did not let a little rain stop them from taking a couple of their grandchildren to Wildcat Mountain for a fishing derby. They took Brooke Bagley, 7 years old, and Koral Saunders, 13 years old, to see how well they could do at the derby. Brooke caught two trout and Koral caught five trout. Donald and Nancy Bagley braved the rain with them.

Tim Chapman and Michele Landry and children, Sidney Chapman and Ajay Landry were hosts for a Retirement Party for Michele's father, Leo Croteau, last Sunday. Leo has worked in the Berlin Mill for 38 years. There were several members of Leo's family present at the party. Because of the weather, we moved the party into the Town Hall to keep from getting rained on.

Remember to get out and vote at the primary election on Tuesday, June 13. The Gilead Town Hall will be the location, and the polls will be open from 10 a.m. to 8 p.m.

We have had a few inquiries about the new booklet that the GHS is publishing, "Hastings" will be out in a week or so and will be available for purchase by calling 836-2987 or emailing chapmal@hotmail.com.

All three publications will be available at the Friends and Family Day on June 24 at the Town Hall. Things are coming together quite well for the event. There will be a last minute planning meeting on June 17 at the Town Hall at 1 p.m.

This weeks bit of history again come from the writings of Emeline Heath.

"Although they no longer

leached ashes for lye to make soap, I watched my aunt make soap from 'Babbitt's Lye' and grease which she had collected from table scraps and waste fat from the beef and pork at butchering time. This fat had to be melted down and refined to make it suitable. This was done in advance and saved up until the right amount was ready. The proper proportions of melted fat and the canned lye were stirred in a wooden tub and poured into a wooden box lined with heavy brown paper. When hardened to the right consistency, it was cut with a kitchen knife and when dry enough to handle, it was broken apart and piled loosely to allow it to dry thoroughly. When made with the lye from ashes, I believe the result was a jelly like 'soft soap' which my mother said was rather unkind to ones skin. The time came when we made no more of the homemade soap at all."

rang a bell and gave a couple of screams, which only made it go into the woods, turn and look at me and then slowly walk back.

Then it climbed up on a little pile of wood and rolled around, lay near the bottom of a tree, walked over to the deck, posed on another pile of wood and just did not want to leave. During its posing phase I was able to take several pictures.

Then I made many calls to try and find out what to do. Sandee Dunn drove down and it still would not leave so she drove back and got Leon and still it did not want to leave. Leon finally scared it away after it had been around for almost 45 very long minutes, at least long enough for me to get into the car and leave, about an hour and a half later than I had planned.

The Maine Game Warden Service can be reached by calling the Maine State Police in Gray at (800) 482-0730.

Game Warden Brock Clukey may be reached at 392-1479.

My purpose for going to Orrington was to be with Tim and Carol Small for an overnight. It is Carol's last year as a third grade teacher at the fruit Street Grammar School in Bangor. We were joined by another class as I read to the students. Then they worked on making a pyramid out of straws and string while we watched and helped. I stayed to have lunch with Carol and Gail Young in Carol's classroom while the students were in the dining hall. Then I headed for home around 1:30 p.m.

Due to the bear being at the house on Thursday, I drove directly to Sandee and Leon's. They had talked to Warden Brock Clukey of Andover. He told them to tie rags on trees about 10 to 12 feet apart and then soak them in bleach. Sandee had made lots of the rags, which they brought down around 7 p.m. and we circled the area with them, then dunked the rags into a glass of bleach.

At this writing I have not seen the bear again. Sandee and Leon told me that the bear was around on Friday and scared Debbie Cowan who was planting. It walked on her lawn, lay under the trampoline, got up and kept trying to take a bag of garbage away but seemingly could not find a way around or out of the fence. It finally did take off with the bag. All Debbie had to defend herself and her daughters T.J. and Shelby if needs be was the garden rake she was using. Sunday I stopped to talk to Debbie

about the bear. She and the girls showed me lots and lots of baby kittens they have. Not all kittens have homes at this time.

Sunday, June 4 family helped celebrate Mike Wight's (May 27) birthday with a cookout at the home of his parents, John and Nancy Wight.

Katie and Kurt Wight are home for the summer from college.

Andover

There seems to be a mystery on Elm Street. Resident Eda Perkins came home one afternoon a couple of weeks ago to discover a "gift" on her side porch. There was a container of homemade baked beans, (which she ate, and said were very good) and a bag with a pair of ladies gloves, small hat and a pair of ladies black boots. Is any reader out there the guilty party? Eda and everyone in the neighborhood are anxiously waiting to find out.

Beverly Sylvester would like Andover residents to know that the Western Maine Transportation bus comes to town on Thursday mornings and that all are welcome to ride, whether you're a senior citizen or a junior citizen. The fare for seniors is \$3. The bus goes to Rumford for a few hours before returning to

town shortly after lunch. For more information call 1-(800) 393-9335.

Rain! Rain! It rained all week-end. West Paris's Old Home Days were

nearly washed out. The parade went as planned but all got drenched. Friday night's Historical Society's supper was well attended for the rain did let up for a few hours. All worked hard and long and made it a success.

On Sunday, June 11, the Rev. Kate Braestrup will be the guest speaker at the West Paris Universalist Church at 9 a.m. Jim Burke is organist. A coffee hour follows.

Several Alumni banquets were held over the week-end in the area. As I graduated from Buckfield High School 59 years ago, I attended their supper and meeting. I sat with my brother Glenlon Allen and his son Edward.

Edward's son was a member of this year's graduating class making three generations present. The banquet here in West Paris was well attended.

Marilyn Ryerson of Spring Hill, Florida is visiting her sister Beryl Bonney for a week. Dorene Merrill is also visiting Beryl and they attended their banquet here in town. It proved to be a busy weekend for all even with so much rain.

Penny Kitteredged and Mary Bean attended a bridal shower for Sarah Coolidge in Newry on June 4. Sarah is Victor's oldest daughter.

I returned on June 1 after going to a big stamp show in Washington, D.C. and visiting cousins in the area. The show was overwhelming, but I did see what I wanted to look at.

The Bethel Health Center and Seniors Plus will hold a free seminar on June 17 from 12 noon to 5 p.m. The title is 'Helping Seniors Navigate the Aging Process.' There will be an attorney to help with Living Wills, Power-of-attorney or other facts of law you wish to know. There will also be a geriatric psychiatrist present to help caregivers of people with dementia relieve their stress from this work. As far as I know, all you need to do

is go to the Health Center on June 17 at noon.

I hope everyone has a nice week. God Bless the Troops.

Services at the Baptist Church are Sunday School at 9:15 a.m.; morning worship at 10:30 a.m.; choir practice at 5 p.m.; evening service at 6 p.m.; Wednesday at 6:30 p.m. is prayer meeting; Thursday at 9 a.m. is ladies prayer time. The Men's Banquet is Saturday, June 17 at 5 p.m. The church will celebrate its 150th anniversary the last weekend in July. Everyone is invited.

The Memorial Day program and parade were very well attended. Many thanks to everyone who attended and helped in anyway.

Marybeth Hoover has returned from New York where they went on their class trip. Guess by all reports they had a great time.

The Historical Society Museum has a small exhibit called 'Planting' to open the summer season. The museum opens Saturday afternoon from 1 to 4 p.m. starting June 3.

The museum has two books by Ruby Emery and just a few copies by curator Larry Billings for sale in its little store. The Historical Society will have a number of activities to interest you this summer, so look for them in the papers. They have a fine collection of the decorative arts now, visit it and see. Annella Burnham will be planting the urn again

this year. It is always beautiful. The Historical Society meets the second Saturday of each month at 7 p.m. The next meeting is June 10 with a food sale from 6 to 7 p.m.

Curator Larry Billings planted some flowers on the front porch of his home. He also listened to opera one evening recently. Larry has got some lighthouse prints for his cultural center.

Eighteen Woodstock-Greenwood Senior Citizens went to the Chick-A-Dee restaurant for dinner last Thursday.

The Summer Story Hour at the Whitman Memorial Library will begin on Tuesday, June 20 from 10 to 11 a.m. Ages 4 and up are invited to attend. Valerie Billings and Sheryl Morgan will be doing stories and crafts.

Kay Hoover, New York, is visiting her son and family Steve, Beth and Marybeth Hoover to attend her granddaughter's graduation on June 2.

South Woodstock

by Andrea Wing

Hugh Swan, Greenwood, will be the guest speaker at the Whitman Memorial Library on Thursday, June 8 at 10 a.m. Mr. Swan will be showing the small toys that used to be made by Echo Tibbetts. He has a few of the original toys and as a hobby is making toys out of wooden spools and elastic.

This should bring memories. It is open to the public and there is no charge. Refreshments will be served.

We all got together to celebrate Kellie Wing's birthday on Memorial Day. We opted for lemon meringue and chocolate pies instead of cake. I made five pies which to my amazement came out pretty good.

Those attending were: Richard and Andrea Wing, Vinny Lima, Phil and Sarah Lynch and Zach, Jessie and Landon, and Kellie.

Thanks to Frank Fraser and Richard Wing for purchasing and planting the flowers at Andrews Corner by the Woodstock town sign. They sure look very nice.

Sympathy is extended to the family and friends of Doris Maxim who died this past week. Also, much sympathy to the friends and family of David Daye, who died recently. They will both be missed.

What a game at West Paris Ballfield last Sunday. The West Paris Senior Pine Tree League beat Rumford Senior League 14-0. One of the players is our son Rick who plays and is 50 years old. Many of the players are that age or older and they all do a great job.

Richard has been busy planting flowers in barrels and pots around outside. They all look nice.

The South Woodstock and Lakeside Cemeteries in Bryant Pond were well decorated and look very nice for Memorial Day. Many from this area attended the parades to honor the ones who served their country, especially those who gave their lives.

I had two brothers killed in wars, Gerald Poland who died in the Battle of the Bulge and Leon Poland, who died in Viet Nam.

Quote of the Week: 'I have learned that old age is not a defeat but a victory, not a punishment but a privilege.'

From the Oxford County Republicans

Mary Adams of the Maine Citizens Alliance, which is promoting a "yes" vote on the forthcoming "Taxpayer Bill of Rights," will be the featured speaker at the June 20 monthly meeting of the Oxford County Republican Committee. The meeting will be held at the First Congregational Church in Andover on Elm Street near the Town Common. The social hour will begin at 5:30 p.m., and dinner at 6:30 p.m. followed by the speaker and business meeting. All area Republicans are cordially invited to attend.

The July meeting will be held on July 11 at Stan Howe's residence, 18 Broad Street and will be the annual picnic hosted by the Bethel Town Republican Committee.

At the May 9 meeting of the committee held at the Wilkins House in Waterford, Republicans voters had an opportunity to hear from those running in contested primaries.

In House District 91, Mark Egeberg of Bethel, outlined his belief that state government should create sound environmental policies, increase highway funding, encourage Maine youth to learn useful trades, allow Maine taxpayers to have a final say on broad policy questions, reduce state fees, restore full reciprocity with New Hampshire on snowmobile registrations and in all cases spend the public's money with great prudence and forethought.

One of his rivals in the race, Harry Faulkner, also of Bethel, said Maine needed to rid itself of a hostile business climate and promised he would be a strong voice to lower taxes and provide less regulation if elected.

In the race for Oxford County Sheriff, Alan Carr of Albany cited his 34 years in law enforcement experience and pledged to always be "fair, firm, and consistent."

His opponent, Christopher Wainwright of Canton, pointed to his years as deputy in the Sheriff's Department and his recent intensive training at the FBI Academy as reasons for supporting his nomination.

Jeffrey Fagan of Paris, running for election to a full term on the County Commission, reviewed his brief record on the Commission and pledged to continue to reduce costs and increase efficiencies in the delivery of County Government. His opponent in the primary, Caldwell Jackson of Oxford, was not present due to a previous engagement.

Also present at the meeting were State Representatives Bruce Hanley (R-Paris), Arlan Jodrey (R-Bethel), and Jim Hamper (R-Oxford), as well as State Senator David Hastings (R-Fryeburg), County Commissioner Dave Duguay and State Senate candidate Len Greaney of Rumford.

Representatives of the U.S. Senators Olympia Snowe and Susan Collins were present and made reports on their respective Senator's activities.

From the Oxford County Democrats

The 2006 Democratic State Convention, held on June 2 and 3 in Augusta, had excellent attendance from Oxford County. County Committee Chair Cathy Newell and County Committee Treasurer Michael Broderick received the Sam Shapiro Award and the Joe Mayo Award respectively for their efforts in grassroots organizing, candidate recruitment, and, in the case of Broderick, chairing the 2006 Platform Committee.

In the County Caucus held as part of the Convention, Mike Broderick of Bethel, Roy Gedat of Norway, and Mary Dube of Canton were elected as representatives to the Democratic State Committee for 2 year terms.

Candidates in attendance at the Oxford County Caucus were State Senator Bruce Bry-

ant, Tim Carter for District 91, Marlee Turner for District 97, Terry Hayes for District 94, Roy Gedat for District 95. Senator Bryant reported for the campaigns of Wayne Gallant for Sheriff, Rep. John Patrick for District 92, Reggie Arsenault for District 93, and Mary Ann Prue for re-election as County Treasurer. Cathy Newell reported for Marge Medd for Senate in District 13, Wade Rainey for County Commissioner, and Jim Bradley for District 100.

Roy Gedat of Norway was recognized for his service on the Convention Planning Committee.

For information on the activities of the Oxford County Democrats, one may visit the web site www.oxforddems.org or call 875-2116.

From the Waterford Library

Merle Ring, the district forester for the State of Maine stationed in Bryant Pond, will present Your Healthy Woodland - What Should It Look Like at the ninth annual Sheena Fraser Memorial Lecture at the Waterford Library on Wednesday, June 14 at 7 p.m.

As a licensed forester, Merle, who lives in Otisfield, will focus on common tree identification and small woodlot management. He will address as well the needs of specimen trees in our home and community landscapes.

The annual lectures are supported by an endowment created by the family and friends of Sheena Fraser, a native of England. Sheena's love of plants and her garden across from the Waterford Library, made the endowment a significant tribute after her untimely death. As well, each year books on gardening and related topics are added to the Sheena Fraser Collection in her memory.

This special collection in the Waterford Library now contains more than one hundred books on landscaping, vegetable gardening, perennials and annuals, including practical advice for both the master and the beginning gardener. Readers will also find reflective books on gardening by such authors as Leslie Land, Katharine White and Amy Stewart.

From Western Mountains Senior College

Susan Poulin and Gordon Carlisle will present "The Art of Collaboration" on Friday, June 9 at 7 p.m. at Gould Academy's Trustees Auditorium, Bethel. This special presentation is being brought to the Bethel area by Western Mountains Senior College and Mahoosic Arts Council. There will be a donation of \$5 at the door.

Poulin and Carlisle, known as Pooley Productions, have been collaborating on plays, songs, and artwork for over a decade. Their critically acclaimed productions of "In My Head I'm Thin," "Ida: Woman Who Runs With the Moose," "Ida's Haven: A Yard Sale," "Spousal Deafness...and Other Bones of Contention," and "Pardon My French" have broken box office records throughout New England. Each has been infused with their unique brand of humor and inventive props. Together, they've been commissioned to write theatrical presentations for a number of national organizations.

Susan and Gordon will perform a few short skits as they share some of their work, talk about the joys and challenges of collaboration, how they go about writing a play and what inspires them.

Poulin is a Maine native and graduate of the University of Southern Maine, Theater De-

partment. She has been a featured performer at the Women's Performance Festival at the Institute of Contemporary Art in Boston, the Maine Festival and the Minneapolis Fringe Theater Festival. She was selected by Portland Magazine (November 2003) as one of the "Ten Most Intriguing People in Maine." Her essays have been heard on Maine and New Hampshire Public Radio and published in the Portsmouth Herald. She was recently awarded a 2005 New Hampshire Council on the Arts Traditional Apprenticeship grant to study Traditional Franco-American Music with master artist Lucie Therrien.

Carlisle has been actively involved as a visual artist, songwriter, writer and actor in the New Hampshire Seacoast and in Southern Maine for over 15 years.

A graduate of the San Francisco Art Institute, he makes his living as a visual artist, creating both private and public murals, including New Hampshire's largest mural, "Lest We Forget," located in Manchester.

His artwork has been exhibited around the U.S. He is a recent recipient of a New Hampshire State Council on the Arts Individual Artist Fellowship for his achievement as a muralist.

Western Maine Senior College and Mahoosic Arts Council invite the public to enjoy Poulin and Carlisle's behind-the-scenes look at the serious business of making people laugh. For more information, call J. Cressy at 824-0508.

From the Bethel Historical Society's Regional History Center

Stanley R. Howe, Executive Director of the Bethel Historical Society, announced this week that the Bethel Historical Society will offer a \$1,000 internship in memory of Judy Haskell to a qualified Bethel area high school student between 14 and 18 years of age.

Applicants should possess a strong interest in learning about local and regional history, be highly motivated and reliable.

Later this month, the Society's Education Committee, chaired by SAD44 Superintendent David Murphy with Committee members Karen Bean, Amy Davis, Ginger Kelly, Kathy Kunkle, Marvin Ouwinga, and Charles Raymond will meet and select a nominee to recommend to the Society's Executive Director.

The stipend will be paid in two installments during the internship which will go from June 27 to Aug. 27. The successful applicant may be involved in conducting museum tours, and working on special events, collection management projects, and exhibit preparations.

Applications are available by visiting the main office of the Society at 10 Broad Street, by calling 824-2908 or downloading the application from the web-site. Applications are due in by June 9. A decision is expected to be made by June 23.

Funds for this internship program have been made possible from donations given in memory of Judy Haskell and from a grant from the Morton-Kelly Trust.

"We are very pleased to be able to offer this internship this year," said Howe in making the announcement. "It is an important milestone in offering significant historical learning experiences to high school students and should complement our proposed junior historical society project very well," he added.

In the first of the 2006 Bethel Historical Society Lecture Series, honoring the 40th anniversary of Society's founding and sponsored in part by a grant from the Maine Humanities Council, Earle G. Shettleworth, Jr., director of the Maine Historic Preservation Commission and the State Historian, was the featured speaker on June 1 in the Dr. Moses Mason Meeting Room. His topic was "Silent Sentinels: Maine's Civil War Monuments." During his slide lecture which drew over 40 mem-

bers and friends of the Society, Shettleworth described the origins of the movement to commemorate the Civil War throughout Maine, which was led in many instances by the Grand Army of the Republic.

Monuments were built in many sizes and forms from the most extravagant and expensive in Portland to more modest ones in particular cemeteries throughout the state. Of those featuring a likeness of a Union soldier, only the one in Brownfield is a depiction of a particular veteran of that conflict.

A House and Luncheon Tour of nine historic and contemporary houses in Bethel will be sponsored by the Society on June 16 and 17. Houses range from the early 19th century to the 21st century. The tour plus a light luncheon is priced at \$20. Tickets are available at the Society's Museum Shop. For further information please call 824-2908 or (800) 824-2910.

A bus trip to Portland to visit the Longfellow House and Tate House, sponsored by the Western Mountains Senior College and SAD44 Adult and Community Education, in association with the Bethel Historical Society, on Friday, June 23, needs more participants to fill the bus. The cost is \$25 and covers transportation and museum admissions. Participants need to be members

of Western Mountains Senior College or the Bethel Historical Society. Please call Jackie Cressy for more information at 824-0508.

To honor the memory of an outstanding volunteer who served the organization on many fronts for more than thirty years, the Bethel Historical Society held a "Remembering Time" for Judy Haskell on June 3.

Most of her family attended along with friends, fellow volunteers, trustees, former trustees and staff. Her many contributions to the Society were duly noted along with her outstanding personal qualities including her invariably kind and generous nature. More than a dozen family and friends spoke movingly about her life and their memories through the years.

With nearly 1,400 members, the Bethel Historical Society, founded in 1966, is western Maine's largest and most comprehensive full-time historical agency, dedicated to collecting, preserving, and interpreting the regional past for present and future generations. For forty years, the Society's activities have included lectures, exhibits, special events, heritage festivals, workshops, conferences, school and educational programs, and publications.

SAD #44 RELEASES BUDGET FOR THE 2006-2007 SCHOOL YEAR

To the Voters of M.S.A.D. #44
May, 2006

On behalf of the M.S.A.D. #44 Board of Directors, I am pleased to present you with a summary of the proposed 2006-2007 school budget. Also included in this mailing is a summary of the ballot questions and the explanations that you will see on the ballot when you vote on June 13.

The budget summarized here has been carefully reviewed by the Board and Administration.

The public hearing on the proposed budgets will be held on Monday, May 22, 2006 at 7:00 PM in the Telstar Library. The referendum vote will be held on June 13, 2006. The hours and locations of the various polling places throughout the district are included in this mailing.

I would urge you to review the information contained in this brochure. The information summarized on page 3 shows a comparison between the 2005-2006 budget and the recommended budget for 2006-2007. The column labeled "Ballot Question Reference" will help connect specific budget figures to the actual ballot questions referred to on page 4. If you have any questions, please feel free to contact me at 824-2185. The School Board joins me in asking for your support of these articles on June 13, 2006.

Respectfully submitted,

David W. Murphy, Ed.D.
Superintendent of Schools

QUESTIONS 1 THROUGH 3 RAISE FUNDS TO EXPEND FOR THE SCHOOL BUDGET

Question 1: State/Local EPS Funding Allocation. Shall Maine School Administrative District No. 44 appropriate \$6,855,089.66 for the total cost of funding public education from kindergarten to grade 12 as described in the Essential Programs and Services Funding Act and shall Maine School Administrative District No. 44 raise \$4,111,234.25 and assess the amounts set forth below as each municipality's contribution to the total cost of funding public education from kindergarten to grade 12 as described in the Essential Programs and Services Funding Act in accordance with the Maine Revised Statutes, Title 20-A, section 15688?

Total appropriated (by municipality):	Total raised (and district assessments by municipality):
Town of Andover: \$ 1,068,022.97	Town of Andover: \$ 336,298.96
Town of Bethel: \$3,179,390.58	Town of Bethel: \$1,466,066.13
Town of Greenwood: \$1,003,585.13	Town of Greenwood: \$ 475,258.68
Town of Newry: \$ 248,154.25	Town of Newry: \$1,266,260.15
Town of Woodstock: \$1,355,936.73	Town of Woodstock: \$ 567,350.33
School District Total Appropriated: \$6,855,089.66	School District Total Raised: \$4,111,234.25

The Board of School Directors Recommends a "YES" vote.

Explanation: The District's contribution to the total cost of funding public education from kindergarten to grade 12, as described in the Essential Programs and Services Funding Act is the amount of money determined by state law to be the minimum amount the District must raise and assess in order to receive the full amount of state dollars.

Question 2: Non-State Funded Debt Service. Shall Maine School Administrative District No. 44 raise and appropriate \$159,159 for the annual payments on debt service previously approved by the voters of this District for non-state funded school construction projects, the non-state funded portions of school construction projects, and minor capital projects in addition to the funds appropriated as the local share of the District's contribution to the total cost of funding public education from kindergarten to grade 12?

The Board of School Directors Recommends a "YES" vote.

Explanation: Non-state funded debt service is the amount of money needed for the annual payments on the District's long-term debt for major capital school construction projects and minor capital renovation projects that are not approved for state subsidy. The bonding of this long-term debt was previously approved by the voters of the District.

Question 3: Additional Local Funds. Shall Maine School Administrative District No. 44 raise and appropriate \$1,980,740.00 in additional local funds, which exceeds the State's Essential Programs and Services allocation model by \$1,444,364 as required to fund the budget recommended by the Board of School Directors?

The Board of School Directors recommends \$1,980,740.00 for additional local funds and gives the following reasons for exceeding the State's Essential Programs and Services funding model by \$1,444,364. These funds are needed to provide smaller class sizes than are recognized by the Essential Programs and Services funding model, to provide greater academic support in the form of educational technicians in District classrooms than is recognized by the Essential Programs and Services funding model, to pay for co-curricular costs not recognized by the Essential Programs and Services funding model, and to pay for transportation costs not recognized by the Essential Programs and Services funding model.

Explanation: The additional local funds are those locally raised funds over and above the District's local contribution to the total cost of funding public education from kindergarten to grade 12 as described in the Essential Programs and Services Funding Act and local amounts raised for the annual payment on non-state funded debt service that will help achieve the District's budget for educational programs.

QUESTION 4 AUTHORIZES THE BOARD TO EXPEND THE TOTAL SCHOOL BUDGET FROM THE ABOVE SOURCES AND OTHER AVAILABLE FUNDS

Question 4: Total School Budget Summary. Shall Maine School Administrative District No. 44 authorize the Board of School Directors to expend \$9,911,861.00 for the fiscal year beginning July 1, 2006 and ending June 30, 2007 from the District's contribution to the total cost of funding public education from kindergarten to grade 12 as described in the Essential Programs and Services Funding Act, non-state-funded school construction projects, additional local funds for school purposes under the Maine Revised Statutes, Title 20-A, section 15690, unexpended balances, tuition receipts, state subsidy and other receipts for the support of schools?

The Board of School Directors recommends a "YES" vote.

QUESTION 5 RAISES FUNDS TO EXPEND FOR THE ADULT EDUCATION PROGRAM

Question 5: Shall the District appropriate \$220,269.00 for Adult Education and authorize the expenditure of additional funds raised through grants or self-funded programs for the fiscal year beginning July 1, 2006, and ending June 30, 2007, and shall the District raise \$97,850.00 as the local share?

The Board of School Directors recommends a "YES" vote.

QUESTION 6 AUTHORIZES THE BOARD TO EXPEND ADDITIONAL STATE AND FEDERAL FUNDS

Question 6: In addition to the amounts in Questions 1 through 5, shall the District authorize the Board of Directors to expend such additional State, Federal and Other Funds received during the 2006-07 fiscal year for school and/or adult education purposes provided that such grants, programs or other services do not require the expenditure of other funds not previously appropriated?

The Board of Directors recommends a "YES" vote.

Note: This budget does not include the estimated amount of \$898,114 in employer share of teacher retirement costs that is paid directly by the State.

Gould graduation

you are not.

"My experience has taught me that for the most part the people around me will be what I expect them to be. We have two choices in life, to assume the best of those around us or the worst. Assume the best, and your gain in life will far outweigh the pain. Lucky for me that first class at Gould Academy did just that. I have been blessed in my life to have had a wife and sons who make me feel that I am the husband and father I want to be, and to have taught students like you, who for 35 years have made me feel that I am the teacher I seek to be.

"It is not the big things in life we do that truly matter to those around us. It is the little things that come from the heart and that are given without thought."

Dutch Dresser

Dresser followed Davis with a speech highlighting the limitless possibilities resulting from the merge of education and technology.

During his 26 year career at Gould "Dutch" as he's known to his colleagues and friends, has impacted thousands of students through his work as a classroom teacher, founder and director of a summer school, director of studies, chief information officer, and associate head of school.

In the 1980s, Dresser brought computer technology to Gould, and in the early 1990's he was responsible for bringing Inter-

net connectivity to Gould, the public schools in Bethel, and the citizens of Bethel.

During his 26-year career, Dresser has shared his own intellectual passions by teaching electives such as Pascal programming, ethics, celestial navigation, database design, advanced robotics, and technology in society.

"You are in a remarkable position," said Dresser. "With fundamental technologies in a state of exponential change, major advances in the things we can do will occur at very short intervals during your lives.

"You can be frightened by this and work hard to resist acknowledging the state of affairs; the practice is common. Or, you can recognize that it is you who will decide what's good in the context you inherit and develop and how important your voice can be in deciding how powerful developments will be applied for betterment of the human condition."

tion."

Charlie Mele, son of Deborah and Charles Mele of Franklin Lakes, N.J. was chosen by his classmates to speak at commencement prior to the awarding of diplomas.

Mele, who has attended Gould for two years, is a talented musician, seldom seen without his guitar in hand. His thoughtful speech, which compared the class of 2006 to his favorite band, was representative of his love and appreciation for music.

"I believe that our personalities are formed by all of the people we have met in our lives. Our conscience acts like a sieve and filters through all the different things we learn from others and chooses which to keep. We are a blend... Good musicians do not just listen to themselves. They listen to the band they are playing with. Mr. McLaughlin told me that and I will never forget it. The relationship between one person and the band is what

makes the magic.

"When we came to Gould we were cover musicians playing the same stuff that's been played before. But as we progress through our lives here we learned how to play our own song.

"Each person's life adds to your life."

Mele, an alpine skier at Gould, competed at both the prep school and FIS levels, and was co-captain of Gould's men's varsity tennis team. He will attend Wheaton College in the fall.

Valedictorian Julia Hamilton Rhinelander, daughter of Carrie Rhinelander Sysko of Newry, and Philip H. Rhinelander of Falmouth, delivered a speech to her peers about the

life experiences she gained as an actress at Gould, and what role she hopes that memories of high school will play in lives of the graduating class:

"Today, we may very well be fleeting memories for someone else here; they will see us in a different time and place, unexpected and surprising, but they will see us somewhere, whether it be in a guitar solo, a set of pottery, a mountain lake, or even something so simple a Dixie cup. Every memory lives on, no matter how deep it is buried or how inconsequential it may seem: it isn't our job to rummage for them and dig so deep that we let ourselves get stuck. The moments that are gone are out of our control, so it is our duty

to let go of the things we are powerless over, and look to the future, and find strength in the power we have to mold and utilize the moments we have."

Julia is a member of the National Honor Society, a student proctor, and she has attended Gould for four years. She has also been active as a peer tutor in Gould's Writing Center, a lead actress in several Gould drama productions, a member of several Gould musical groups, and as a member of the J.V. women's soccer team. She will attend Smith College in the fall.

(Note: Gould honors and awards will appear in an upcoming Citizen.)

Elect MARK EGEBERG a.k.a. MARK "THE PILOT" To District 91

To the Voters,

I seek to represent the people of District 91 in the Maine Legislature, and ask for your vote in the Republican primary on June 13.

I am 38 years old and live in Bethel. I make a living as an airline pilot, flying regional jets out of Logan Airport. When home, I run a ski tuning service during winter months and do small jobs as a local contractor. I am technically competent with a solid background in construction with experience in masonry, carpentry, welding, and heating/air conditioning.

I grew up in New York City, lived a number of years in Florida and Connecticut, and permanently moved to Maine in 2001.

If elected, I will work hard to earn your trust and give you honest representation in state government. Thank you for your consideration.

Sincerely,

Mark Egeberg

Ideas for State Government

- *create a policy environment where the self-employed, small business, and all business, can thrive*
- *increase state highway funding* to levels which will maximize federal transportation dollars...currently Maine does not do this and our roads show for it
- *allow Maine taxpayers to have the final say* on broad public policy questions via referendum concerning topics like allocation of sale/income/property tax burden and desired gas tax/roadwork levels
- *examine the levels of state fees charged* for a variety of recreation related endeavors, with an eye toward reducing them
- *restore full reciprocity* with New Hampshire in the matter of snowmobile registrations

The team is 9-1 on the season.

GEORGE M. GAMBLE
George M. Gamble, 79, of Bethel passed away May 31, 2006 at Maine Medical Center in Portland after a courageous 12-year battle with Parkinson's disease.
He was born on March 30, 1927, in Springfield, Mass., the son of George and Ellen (Curry) Gamble, and was educated there. He attended Yale University for a year before being called to serve in the U.S. Navy. He graduated from Bates College in 1950, and was president of his class for nearly 50 years. He was recalled by the U.S. Navy for one year during the Korean War. In November 1951 he married Virginia Hastings of Bethel, a college classmate.

Thanks

To those who called and voiced concerns that I did not attend the dedication of the Bethel station.
My health has not been good for the last three years and the week before the dedication I had a medical procedure and the follow up was on the day of the dedication in Lewiston and I was unable to get back in time and I was very tired. I would have given anything to have been there to receive this great honor to the Greenleaf Family.
Thanks Bethel Ambulance and all for giving the Greenleaf Family this honor. It is nice that there are still two Greenleafs active. Good work John and Arlene.

Thanks Again and God Bless
Eldon Greenleaf

CONGRATULATIONS
S.R. White
on your promotion to
Lieutenant!
Your friends at Bethel's Best!

Throughout his life, he used his superior communications skills as a radio announcer on WLAM, reading books on tape for the blind, telling stories with many accents and dialects, and always knowing the right thing to say at the appropriate time.
His creative talents included wood-carving. Family members and friends cherish the hand-carved personalized signs that he designed, carved, and painted for them.
His organizational skills were legendary, as he prepared for family events or travels. His plan to house, feed and transport more than 40 friends and family members to the 1980 Olympics in Lake Placid is remembered by all with a smile.
He related well to people of all ages, from fascinating children around the world with his bag and invisible ball trick to his volunteer work with patients at Dartmouth-Hitchcock Medical Center. His grandchildren, their cousins and friends performed many unusual stunts at family gatherings for the treats that the "Candy Man" would pass out as a reward. He was a favorite wherever he went.
He personified the Rotary motto: "Service above self" in all he did. He set an example in his quiet way for others to emulate.

Card of Thanks

The family of David Daye would like to express our sincere thanks to everyone who helped us in our time of need.
Many thanks for the calls, cards, flowers, food, and money donations. The celebration of his life was a memorable afternoon that we will never forget. Thanks to all who attended and gave us a helping hand.
David didn't like to say goodbye, he always said "See ya."

He was alumni director at Bates College from 1951 to 1954. He joined General Electric in advertising and public relations in 1954 and worked in Schenectady, N.Y., Philadelphia and Pittsfield, Mass., more than 12 years. He then moved on to General Cable and was based in New York City. In spite of his long daily commute, he served on the YMCA board and was a Boy Scout Leader in Wilton, Conn. When he became director of corporate communications for Raytheon, he and the family relocated to Sudbury, Mass. In 1973, he became director of creative services at United Brands. He spent 20 wonderful years in Hanover, N.H., as corporate director of communications at AMCA International, where he was in charge of all corporate public relations and advertising. In Hanover, in addition to his corporate responsibilities, he was a selectman and the president of the local Rotary and United Way chapters. He reinstated the 4th of July parade and sang with the North Country Chordsmen.
He traveled extensively all over the world during his business career, and he also organized and led several European trips for friends and Bates classmates.
He and Virginia retired to Bethel in 1999, where he remained active in Rotary and the West Parish Congregational Church, making many new friends as he accepted his declining health with dignity and grace. He was a loving husband and father, who was totally dedicated to his family.
He is survived by his wife, Virginia of Bethel; two daughters, Laurie Flanagan and her husband, Mark, of Sudbury, Mass.; Rebecca Dalke and her husband, Dave, of Shrewsbury, Mass.; a son, Alan Gamble and his wife, Carol, of Newburyport, Mass.; five grandchildren, Kate, Connor and Matthew Flanagan, Heather and Hannah Dalke; a brother, Gordon Gamble and wife, Irene, of Hartford, Conn.; and his mother-in-law, Florence Hastings of Bethel.
He was a friend to all, loved being involved in his community and was especially close to the whole Hastings clan: Allen and Mary-Alice Bancroft, Bob and Betty-Ann Hastings, and David and Ann Morton, their children and grandchildren.
The "Candy Man" will be sadly missed and fondly remembered by all who knew him.
We invite friends and family to meet us at 1:30 p.m., on Sunday, June 11, at West Parish Congregational Church, Church Street, Bethel, followed by a celebration of his life at 2 p.m. In lieu of flowers, contributions may be made in George's memory to Androscoggin Home Care and Hospice, 15 Strawberry Avenue, Lewiston, ME 04243-0819, or Bates College, 2 Andrews Road, Lewiston, ME 04240, or to West Parish Congregational Church, Box 23, Bethel, ME 04217.

To my sweet baby Tristan:
You bring smiles and laughter
to all that you see.
Thank you for coming into my
life and changing me.
Happy 1st birthday Mr. T!!!!
We made it together.
You're awesome.
Love Mum

WILLIAM E. BARTLETT
